# Flower Arranging Workshop Celebrating all Moms!

## Workshop Overview

*Celebrate the incredible moms in your life with a joyful, hands-on floral experience. Bring your friends, children, partners - anyone who wants to honor a hard-working, selfless, loving Mom with the gift of fresh flowers.*

## What You'll Learn

*We'll begin with a simple, practical lesson in fresh-cut flower care. Then enjoy a guided, step-by-step demonstration on how to design a beautiful Mother's Day bouquet. You'll choose from an array of gorgeous blooms, lush greenery, and elegant vases. Flora Laura will provide hands-on instruction and teach you the fundamentals of floral arranging.*
